GROWING POSTURE

MADE IN SLOVENIA

Danny

Danny je ergonomski otroški stol, ki raste z otrokom. Nastavljiva višina sedeža in naslona spodbujata zdravo držo pri šolskem delu doma. Razvit in proizveden v Sloveniji.

Danny is an ergonomic kids' chair that grows with the child. Adjustable seat and backrest height encourage healthy posture during homework. Developed and manufactured in Slovenia.

Designed for your well-being
